### Monkey Business

May 25, 2023 — Volume 69

### Greetings from the Executive Director

As you are aware, I like to celebrate the various odd and eccentric days that fall each month. May 10 was Clean Your Room Day – my favorite when my son was little. Or, May 11 – Eat What you Want Day (honestly!!). However, May, for most of us in the United States, is the time to celebrate Memorial Day. Many of us throughout the country honor a loved one who gave the ultimate sacrifice for this country. As a child my family always celebrated a great uncle who lost his life at the Battle of the Bulge.

Today, at Envisioning Access, Inc., we honor all those who have served. We also think about how our work can benefit everyone who needs us and the innovative solutions that will assist those who may be grappling with a myriad of disabilities. Many veterans throughout this country are confronting physical disabilities that could potentially limit their ability to work or go to school. The endeavor we are undertaking right now, exploring all aspects of augmented and virtual reality as well as the best uses of robotics will assist adults who need these solutions. Our hope is to have these opportunities to provide services within a short window of time. Our work is ongoing and robust.

Most essential, I hope you will continue to think about how unique Envisioning Access is with a strong mission supporting two purposes, the Innovative Technology Initiative as well as our post-service capuchins. Please remember we are doing the most important work one can imagine – innovating opportunities for all those living with a disability. I hope you will remember that and support our work.

From all of us at Envisioning Access, have a safe, health, and happy Memorial Day Weekend!

### Thank you NASCAR Foundation

From May 16-May 19, we were so happy to be invited to take part in the NASCAR Day Giveathon! Spearheaded by the NASCAR Foundation, this 75 hour event (in honor of NASCAR's 75th Anniversary) helped raise over \$618,000 benefiting over 800 charities across the country!

We were thrilled to be the final charity that the NASCAR Foundation posted about on May 19 - highlighting our care of our post-service monkeys. Check out all our posts on Facebook, Instagram, or Twitter to see more.

Thank you to all our friends who made a donation-we appreciate your support of our helper monkeys.

### Birthday Round-up at the Monkey Living Center!

May is a great month to celebrate a Birthday! This month we celebrate Bernice, Milton, Mac, Bambi, Koko, Daisy, and Sammy! Happy birthday, sweet monkeys!

Whether you want to honor a person or pet for their birthday, a holiday, or some other occasion...your "In Honor of" gift to our organization will show them how much you care for them. And if you give us their address, we will send them a card!
